

Evaluation (Course Number 703621-0)

Auxiliary Questions

- ① I would choose this module again.
- ② I attend the lecture since the explanations ease understanding.
- ③ I attend the lecture since the slides cannot be used for self-study.
- ④ I prefer the lecture to be held blocked.

Recommendations for open part (I did like / I did not like)

- In case you prefer the lecture blocked: $7x \approx 2h$ vs. $5x \approx 3h$ vs. $4x \approx 4h$
- Lecturer (explanations, language, volume, speed)
- Why did you (not) attend the lecture frequently?
- How often did you consult the literature mentioned as further reading?
- Do you prefer more/less interaction between the courses in the module?
- Which topics did you like/not like/miss?
