Functional Programming
Exercises Week 6
(for November 30, 2007)

1. Read Chapters 1 to 4 and Appendix A of the *lecture notes* (http://cl-informatik. uibk.ac.at/teaching/ws07/fp/material/fpln.pdf; only accessible via the university network) in order to prepare for the test on November 30th.

Remark: This exercise is not counted for grading.
